A Pizza Tradition Since 1957
 From our humble beginnings as a tiny restaurant we have made our food from scratch.
 We believe in putting quality in to get quality out.

1. We make our dough fresh daily. Our hand-tossed dough goes through a 3-day cold rise process before we serve it.
2. We use a high-protein red winter wheat flour from Shawnee Mills in Shawnee, Oklahoma.
3. We make our sauce daily. We meld our sauce with our propriety blend of spices in a steam kettle for 5 hours and let refrigerator for 24 hours before we serve.
4. We use a brined whole milk mozzarella and shred our cheese fresh each day.
5. We use 100% real meat protein with no fillers made to our specifications.
6. And yes, we hand bread our Fried Mushrooms at the time you order them! We get our fresh mushrooms from J&M Farms in Miami, Oklahoma.

Now YOU know why we’ve been serving happy guests for over 60 years.
